MOKENA BOX SOCIAL TIME SATURDAY NITE

By Nettie, Society Ed.

You know the old saying about a woman's curiosity—well after reading about the old time box social that the Mokena Civic association is planning to hold this Saturday night, I began a little investigation.

What I did find out is that many, many people of this day and age, never went to a box social, so I told them about a few I have gone to. Oh, Boy, were they fun! And then plans began fast and furious. I heard the women folks talking about baking pies—O yes, men always like pies, and cakes—but wait first come those sandwiches, the ones that you just eat and eat, and eat of—and then pickles, yes, and maybe some what if they will be left over Easter eggs?—But no, those Mokena women and girls don't do such things, unless they make them fresh.

I am just going to fill my box with so many good things to eat and then just put them in an old box that looks bad, so no one will buy it and then I can sure have fun when they see what is inside.

So don't all you who live in Mokena forget about that box social, Saturday night is not far away and the new Vets hall is sure a nice place to meet so I'll be seeing you and am going to write down just who buys whose box and won't we all have a good laugh. O yes, there will be movies before the box auction and plenty of free coffee!

GIRLS PREPARE FOR 4-H CAMP

Dear Mary:

I'm getting all excited about camp this year. Mrs. LaVonne Pollack, our Youth assistant announced last week at our 4H meeting that our period at Shaw-waw-nassee is July 19-22 with LaSalle county. We had such a wonderful time last year, didn't we? I sure hope you'll be there again. We met so many nice people.

Mrs. Pollack said the new dining hall was finished. I can hardly wait to see it. There will be a new staff member there called a "Camp Coordinator" so we should have even better planned programs. Each activity period will be longer with the morning hours divided into three periods instead of four. That will make the swimming periods longer too—I'm so glad I learned to swim pretty good last year. I wonder if that good looking swimming instructor will be back? "Mother Nature" is going to be another camp this year and we will have a man instructor.

There has been a lot of new equipment added, a rifle range, rods and reels, badminton; golf, putters and drivers and a driving range, more box hockey, croquet, volley ball and tennis. Doesn't it sound like fun?

I've been baby sitting to make my \$9.00 for camp. I had hoped to sell some of my cookies but the family like them too well. I'm learning to be a good cook in 4H besides making my own clothes—maybe we can win a scholarship to camp next year in the Better Methods contest like Jean Phillips did. Barbara Bray and Dorothy Kohl are going to Junior Leadership camp at Monticello. I'll bet they meet fellows and girls from all over the state and have a wonderful time.

I hope you are a 4H member again this year. You wouldn't want to miss that good time at camp besides everything else. Be sure to get your \$9.00 camping fee into the Home Bureau office soon because reservations close April 28.

I'll be seeing you there.

Sincerely,
Anne
P. S. C U at the 4H rally, April 28 at the Cunningham school in Joliet.

John Schaeffer, 66, Dies April 1

John Schaeffer, 66 years of age, died April 1, in the Younker's convalescent home, in Blue Island. He was born in Frankfort and had been living at 17448 Oak Park avenue, in Tinley Park.

He is survived by two sisters, Elizabeth Elbers and Frieda Monroe, both of California, two nieces and two nephews.

Funeral services were held at the Hickey mortuary in Blue Island, Monday at 2 p. m., with the Rev. Walter Ruff officiating. The soloist was Mrs. Gertrude Bowman and her accompanist was the organist, Mrs. Eleanor Drogula. Interment was in Burr Oak cemetery.

ANNOUNCE ENGAGEMENT

Mr. and Mrs. Herbert Minger of Frankfort, have announced the engagement of their daughter Darline to Dale William Krohn, son of Mrs. Ella Krohn, of New Lenox. The announcement was made Easter Sunday April 9. The couple plan to be married in September.

Frankfort Lions to Sponsor Pinochle Tournament April 22

Plans are nearing completion for a community park for Frankfort. All organizations are contributing to the fund. The property to be purchased consists of 20 acres belonging to Mr. Ben Mager located west of the village.

In order to raise funds to that end, the Frankfort Lions club will conduct a pinochle tournament Saturday evening, April 22 in the school gymnasium.

The games which will start at 7:30 will be four-handed pinochle. Everyone is welcome to attend. Refreshments will also be available.

Dist. Lions Bowling Tourney at Frankfort

The Frankfort Lions club are planning a big affair for this Sunday, April 16, when they will sponsor a district bowling tournament in the A. C. B. lanes in Frankfort starting at 1:00 o'clock.

District 1-B include 30 Lions clubs and it is expected that each will send a representative. The district Lions Governor, Mr. Hutson of Bloomington will be present to award the trophy to the winning team.

Zone chairman for the tournament is Herbert L. Lambrecht of Frankfort and his committee is composed of Burton Breidert, Conrad Mark, Robert Fredin and Walter Haas.

Blue Is. Alumni Plan Mardi Gras

The active Alumni association of the Blue Island High school will sponsor a Mardi Gras evening of entertainment on April 22 in the Masonic Temple in Blue Island. The Alumni has secured both floors of the Masonic Temple and a good time for all is promised.

Chairman Ray Benjamin announces there will be games, House of Horrors, an old-time movie theater and many other stellar attractions. A special floor is being prepared as the "Sub-Monte-Carlo" where added entertainment is being planned. There will be dancing in the "Dime A Dance Arcade" to the music of the high school swing band, under the direction of Miss Wallace. Dr. Raymond Holt is concession chairman and in charge of the "Sub-Monte-Carlo."

There are over 60 people working hard on this celebration, the first of its kind ever sponsored by the Alumni association. In former years, school students will remember that the high school sponsored such a night in the school, and it was a night worth remembering! The Alumni hopes to reinstate this as an annual event, if conditions permit.

All proceeds will be used to purchase a worthwhile gift for the new high school to be completed in the fall. Many people in Mokena, Tinley Park and Orland Park attended the high school, and they are urged to attend this big event as well as all others, to come and get acquainted with new people, and renew old school friendships. Fun begins at 5 p.m. and will last until midnight! Everyone welcome! Good prizes will be awarded.

Mokena VFW Aux.

The regular monthly meeting of the Ladies Auxiliary to Wm. Martin Post No. 725 was held Thursday evening, April 6 in the VFW hall.

Two new members, Mrs. Adelaide Goddard and Miss Alburn Steele, were admitted to membership.

The Cantigny Post and Auxiliary of Joliet have invited us to attend their joint installation of officers in the post home Sunday, April 16 starting at 3:30 in the afternoon.

Mrs. Mathilda Stankus, hospital chairman, and the following committee, Mrs. Bertha Ziesemer, Mrs. Alma Peterson, Mrs. Maude Larson, Mrs. Dora Roesner and Miss Alburn Steele will put on a Bingo party for the veterans at Kankakee State hospital as soon as a date can be arranged with the hospital chairman there.

It was announced that Poppy Day would be May 26 with Mrs. Jane Bilis as chairman.

There are still a number of bottles of Vanilla to be sold. Anyone interested should please call Mrs. Frances Robinson or any Auxiliary member. The proceeds of this sale is to be used to pay for the coffee urn.

The Post and Auxiliary joint installation of officers will take place on Sunday afternoon May 7 starting at 2:30 in the afternoon. Refreshments will be served by the following committee: Mrs. Alice Homering, chairman, Mrs. Maude Larson, Mrs. Alma Peterson, Mrs. Josephine Benson, Mrs. Ida Warning, Mrs. Marie Cooney, Mrs. Mathilda Stankus and Mrs. Mary Clark. The public is cordially invited to attend.—Mary Clark, publicity chairman.

Club Women Plan Annual Luncheon

The Frankfort Woman's club is sponsoring a Bowman dairy luncheon Tuesday, May 2 in St. Peter's Evangelical and Reformed church in Frankfort. The luncheon will be served at 12 noon. In the afternoon there will be a fashion show presented by Kline's store. Tickets may be purchased from any club member after April 20.

BANQUET FOR FATHERS, SONS

The brotherhood of St. Peter's Evangelical and Reformed church will have a father and son banquet tomorrow night, April 14, starting at 6:30. Wesley Holstein will be master of ceremonies. Dr. Herschel Cave will speak for the fathers and Donald Oetter will respond for the sons.

The principal speaker of the evening will be Art Page, of Prairie Farmer who is the conductor of the WLS dinner bell program. The entertainment will include a marimba solo by Miss Shirley Massey, a male quartet composed of Lewis Ebert, Udell Gay, George Sangmeister and Dr. Moser. The featured soloist, Ronnie Griswold, of Chicago, who won a car on the Morris B. Sachs program, will sing "A Talk With the Lord."

The Rev. Erich Bizer will lead the group singing. Tickets may be secured from Fred Heisner or the Rev. Bizer.

Frank C. Cole, mayor of New Lenox and assistant cashier of the American National Bank and Trust company in Chicago, now heads the new Park National Bank in Chicago.

No Housing Shortage Here

by Florence Steele

Former tenants in one of the small houses in the back yard of the Joe L. Doyle, have returned from their sojourn in the south to raise a family here this summer. They are Mr. and Mrs. Blue Bird and they are fortunate in having a choice of two comfortable little houses that are waiting for them there.

It is an intriguing sight to see them trying to decide which house they will use. Mrs. Doyle has been watching them as they go from one house to the other with straw in their beaks trying to make the decision. According to latest reports the house in the north tree seems to be favored by beautiful Mr. Blue Bird.

Dist. 138 Pupils Attend Convention

Five pupils of the Maue school of district 138, with their teacher Mrs. Roy Lembke, attended the annual Cook County Achievement Club Officers' convention held Monday in the Museum of Natural History of Chicago. One hundred schools were represented.

During the morning session they enjoyed a movie "The Experiences of Captain Berry in the Maylay States" and a magician act put on by a ten year old boy called Ken, the Great, of Chicago. After the luncheon served in the cafeteria, they were taken on a conducted tour of the museum and later visited the Shedd aquarium. The pupils who went were Lene Lou Janulis, Terry Schmidt, Charles Albert Charles Cihak and Alex Mittera.

O.P.H.S. Juniors Get Class Rings

The juniors at the Orland Park Community high school are all elated over the arrival of their class rings last week.

As is customary in the Orland Park school, the class rings for each graduating class are ordered while the class are still juniors. This makes it possible for the members of the class to wear their rings the full school year that they are Seniors.

The rings are of gold with a central design consisting of a crest bearing the school's initials. The graduation year is placed on either side of the ring. Everyone agrees that the rings are quite beautiful.

Village Ordinance Prohibits Pre-Fabs

There were somewhere around 50 persons who attended the special meeting of Mokena village board Tuesday night, which was called to discuss the pre-fabricated housing project.

Appearing for the project were Winton Hamilton and Russell Anderson, both of Mokena.

Village Attorney Thomas Powers read the village ordinance which gave in details the issuing of building permits and explained that the board members nor the zoning board of appeals were not able to deviate from its rulings as the ordinance now stands. The ordinance specified the size of the framing lumber to be used in building and the pre-fab housing did not coincide with those specifications.

Members of the zoning board of appeals are John Searth, George Rinke, Barney Hostert, Charles Burkhardt and Everett Cooper.

Elect N. L. Student To Honor Society

Miss Shirley Batson, daughter of Mr. and Mrs. Glenn Batson of New Lenox, who is a student at JTHS, has been elected to the National Honor society. She is a junior now. This honor is awarded for character, scholarship, leadership and service to the school.

FAMED MAGIC STAR TO GIVE SHOW IN TINLEY

Gwynne, one of the foremost names in Magic, is appearing here with his company in one of the most spectacularly baffling shows possible to see. This world renowned star of stage, screen and television is being presented under the auspices of the Tinley Park Lions club in the public school auditorium Saturday, April 22 for an afternoon and evening performance.

Gwynne has appeared in every theatre of importance in this country and abroad and has only recently returned from the Orient where he discovered many of the Oriental mysticisms included in this new show. Some of his art has proved so baffling that Life magazine devoted several pages to it in one of their recent issues. Newspaper critics from papers throughout the country are unanimous in commenting on the talented manner with which the entire audience is completely baffled after witnessing one of Gwynne's performances.

Because of the limited seating capacity in the school auditorium the two shows have been arranged.

GWYNNE

ed: the matinee performance being more in a children's vein while the evening show will be presented with the adult mind in view. As this is the first project selected by the Lions to provide working capital to carry on the tradition of their organization, they have gone all out in bringing our residents an evening of top entertainment. None need feel hesitant about inviting friends to attend, as this show has headlined every place it has appeared.

The profits realized from this show will be spent by the Lions right in Tinley Park for the improvement of Tinley Park. Any community fortunate enough to have a Lions club can always thank them for providing many of the things the community possesses, such as recreational facilities, iron lungs; crossing signals; street signs glasses for the needy and many of the things so many of us take for granted. The Tinley Park Lions plan to use these proceeds to apply on the cost of establishing a grade level for drainage, so that your support of this show, besides providing entertainment for yourself, is also helping the community.

Advance tickets are for sale by all Lion members and at Cavett's Drug Store, Bettenhausen Hdw., Vogt's Dept. Store and Tinley Park Hdw. Plan your ticket purchase early as seating is limited.

LOCAL TALENT TO PRESENT IT'S A DATE AT FRANKFORT

Sponsored by Bobzin-Swinford Legion Post to be Given Saturday & Sunday

NEW LOOK FOR EASTER PARADE

Easter dawn was greeted with cold, high winds and a sleet storm. Early morning worshippers found highways and streets covered with ice, but it did not deter them from going to their planned place of service.

By 5:30 a.m. there were already 200 cars filled with passengers at the Bel-Air outdoor theatre on route 66 and when the time came to open the services the car lots were filled to capacity with each car filled with worshippers.

It seemed everybody drove carefully and there were no accidents that we heard of. But nature wrought accidents when the heavily ice laden branches, trees, telephone and power lines and poles snapped under its weight.

Towns hit the worst as far as telephone and electric service were concerned were south of Frankfort township down as far as Kankakee.

North of Mokena on Wolf road wires were down and service men worked all day giving temporary relief. During the afternoon the temperature rose somewhat preventing more freezing. By Monday morning the ice was gone and normal driving conditions again prevailed.

And so the Easter parade was not noticed as far as new "togs" were concerned, but the sleet did give an enchanting new look to nature.

Heads N. L. Board Of Education

At the school election held at New Lenox, District 122, Saturday, 63 ballots were cast, although there was no opposition for the offices. Charles Ellis was reelected president of the board of education. Stanley Gilmore and Wilfred Sayles were elected for the three-year term, Carl Ryden for the two year term and Richard Snow for one year.

The board was voted the authority to extend the bond issue of \$10,000 by a vote of 55 to 8. This was to pick up \$10,000 of the \$140,000 which had been previously voted for but which had not yet been issued.

SQUARE DANCE AT ST. JUDE'S

A Square Dance will be held in the St. Jude's new parish hall Saturday night April 22 starting at eight o'clock, for the benefit of the concert tour to Boys Town at Omaha, Nebraska which the Joliet Catholic High school boys will take the latter part of May. Mrs. Ivan Archibald, Mrs. Walter Baer, and Mrs. Ted Zusag make up the committee in charge from the J.C.H. Band Parents.

AMATEUR SHOW IN TINLEY PARK SAT. APRIL 15

All roads are leading to Tinley Park Saturday night, April 15 for that is the time when the Tinley Park Recreation commission is sponsoring a big amateur show. It will be held in the public school gymnasium and will start at 8 o'clock.

According to the program there are many outstanding numbers which will be pleasing to all. There will be instrumental numbers, dancers, acrobats, baton twirlers and vocalists, and as a special number a barbershop quartette, The South-towns will be guest artists. They alone are worth going many miles to hear. They always rate many encores.

Mrs. Lee Mager will be pianist. The winners will be picked by the applause meter, therefore your attendance will be doing double duty, applauding to help your favorite to win and help the good cause to which the Recreation Commission is contributing, all for the betterment of Tinley Park.

Wins Township Spelling Contest

Doris Cooper of the Orland Center school won the Orland township spelling championship in the annual contest held in the Orland Park public school Thursday afternoon, April 6.

The other winners were: Gerald Klotz of Orland Park, second; Nancy Piper of Orland Center, third; and Karen Lebens of Orland Park fourth. All the public elementary schools in Orland township were represented in the contest.

Doris and Gerald, who placed first and second respectively, will represent Orland township in the Cook county contest to be held in Chicago Saturday, April 29.

Doris won the township contest last year also. Mrs. Carrie Johns is her teacher.

The Bobzin-Swinford American Legion Post No. 1098 of Frankfort is sponsoring a local talent variety show entitled, "It's A Date." It will be given in the Frankfort public school gymnasium Saturday and Sunday evening April 15 and 16 starting at 8 o'clock each evening.

In connection with the show, a Tiny-Tot popularity contest is being held, the winners of the contest will be crowned king and queen on the stage at the Sunday evening's performance.

"It's A Date" tells the story of Ginger and Joe and their search for the perfect date for their wedding. The Easter season is depicted by a beautiful Easter parade scene. September has School Days, complete with Joe Kelly and the Quiz-Kids. A huge patriotic scene, with girls of all nations in costume, is colorful and inspiring. All parts are being taken by Frankfort talent.

The promoters state you will see this and much more in "It's A Date". There is a riot of music and fun with people you know and who like to entertain you. Remember the date for, "It's A Date" is Saturday April 15 and Sunday, April 16 at 8 p.m.

The proceeds from the play will be used for local improvements.

Old Timers' Club To Have Dinner

Five hundred seventy-seven members of the Bowman Dairy Old Timers club will be entertained by the company Monday evening, April 17. The annual dinner meeting will take place in the grand ballroom of the Lake Shore club, and the Old Timers president, Ernest Stark, will preside. Mr. Stark has been with Bowman 26 years and lives at 1609 Cortland St., Park Ridge. Membership in the club is limited to employees with service records of twenty-five years or more and the cumulative service of all members totals 17,215 years.

Six of the 577 members are women and include Miss Bertha Christiansen, Mrs. Frank Crane, Miss Ellen Carlson, Miss Irene Carroll, Miss Alice Hickey and Miss Catherine Hobin all of Chicago.

Glenwood School Has Top Herd

Eino L. Saarela, tester in DHIA association No. 1 reports that the Glenwood School for Boys herd led his association last month with a herd average of 1225 pounds of milk and 42.2 pounds of fat.

The remaining four high herds in the association and the pounds of milk and fat produced respectively by each were: Gilbert Sippel, Monee, 1030-41.1; Vally & Loucks, New Lenox 1008-38.6; Walter Lauffer, Tinley Park, 978-38.1; Louis Lauffer & Son, Mokena 1017-36.4.

Gilbert Sippel had the highest producing cows last month in this association with 1350 pounds of milk and 94.5 pounds of fat.

The Glenwood school for boys had the second highest producing cow which produced 2220 pounds of milk and 91.0 pounds of fat.

A cow belonging to Walter Lauffer was third, producing 2300 lbs. of milk and 89.7 pounds of fat. Mall Tool company Farm, Crete, had the fourth highest producing cow with 2330 pounds of milk and 88.5 pounds of fat, and Herbert Kohl, Matteson, had the fifth high est producing cow, with 1740 lbs. of milk and 87.0 lbs. of fat.

Saarela says that "one of my members used to identify his cows by number and he had a hard time remembering one cow from another. Now he has named the cows, and has really become to know each cow as an individual. Another member has named his grade cows from the comic strips. A name gives a cow individuality not enjoyed with the use of numbers."

Shrine Chanters to Give Concert

The famous, uniformed Shrine Chanters of the Medinah Shriners of Chicago will journey to Blue Island Sunday afternoon, April 16 to participate in the Memorial program at the Masonic Temple, lodge hall, Blue Island at 3:30 o'clock.

The Chanters with soloists and organist will be about 35 strong. According to advance Schell, a 32nd degree Mason and Shriner, will be the speaker at the services for departed Shrine Brethren and for the dedication of the Memorial Plaque.

That's Where Your Money Goes

Say you give a dollar to the Illinois Division, American Cancer Society, during the month of April when the 1950 Cancer Crusade is going on. Do you want to know what happens to that dollar?

Well, 60 cents of it remains in Illinois; 40 cents goes to the National Headquarters in New York.

Of the 40 cents, 25 cents is earmarked for the use of research only. This means it is given in the form of grants to men who are working in laboratories all over the country searching for the answer to what makes a cancer cell grow and how to kill it without damaging other cells and how to detect cancer the quickest way possible.

To illustrate this, last year from the \$743,562 collected in Illinois during the annual campaign, \$297,424.93 went to the National Headquarters. \$185,890.58 was allocated to research centers, \$323,219.00 came back to Illinois in the form of grants to men and institutions, most of them in Chicago.

Of the 60 cents that remains in Illinois, the largest percentage is used for Service. Last year \$446,137.40 remained in the state; \$217,325.00 was used for support and development of Cancer Clinics, Information Centers, Detection centers, Nursing Care and Special Cancer Projects.

Grants were given to Diagnostic clinics at Sherman hospital, Elgin; and Burnham City Hospital, Champaign and to Cancer Clinics in Norwegian American Hospital, St. Bernard's Hospital, St. Luke's Hospital, Mercy Hospital, and Northwestern University Clinic all in Chicago, and to Herrin Hospital, Herrin; St. Anthony's Hospital, Rockford, and Little Company of Mary Hospital, Evergreen Park.

Rufe's Ramblings
By RUFÉ PICKETT

The last time I was down home I dropped into a restaurant for supper. Looking out the front window and seeing the passing cars, busses, and box car trucks, I remarked to a gentleman who was sitting at the same table that I remembered Main Street before it

became just another mile in a transcontinental highway. One word led to another till he finally started talking about a book he had read where a fellow made a bargain with the devil: "Give me your soul and I'll promise to let you come back and see the world a hundred years from now." Frankly I had never read the book but after being away from my home town for thirty-five years, I could see where the comparisons would make interesting

reading. Well, while he and I were eating and talking I noticed that a feller way on the other side of the room was watching us. Finally he got up and came walking over and stood by our table, and sez, "That was an Englishman. He and a friend were in a tavern in London talking much the same as you two..."

Now some of my yankee friends who are passengers on my train will no doubt observe the star and bar on my left sleeve, together with my youthful appearance, and declare that it is utterly impossible that I ever could have worked at any other job except here on the railroad. Such is not the case.

For several days I was engaged in the manufacturing of furniture. It was my duty to take the dressed lumber as it came through a big planer and place it on a truck. With all the noise of the machinery in the place, and especially the roaring of the knives in their stupendous revolutions inside the planer, I never could understand anything that was said to me, and particularly couldn't understand how the other employees managed to talk and laugh with each other. I know now though. The gentleman who was sitting in the restaurant with me sez to the feller who had politely butted in, "You run a machine in the furniture factory, don't you? It's wonderful how you all can read a person's lips."

SEED OATS 16 INCH ROWS PAYS 8-TO-1 RETURNS

Have you ever tried seeding your oats in 14 or 16 inch rows instead of the usual 7 or 8 inch rows? The idea isn't as dumb as it sounds.

George Dungan, agronomist in the Illinois College of Agriculture, says you'll lose about 10 percent in oat yields and the test weight will be about 5 percent lighter. But you'll get a better legume seeding, and when you plow that down for green manure it should boost your corn yields the next year by about 25 bushels.

That's like trading 5 (five) bushels of oats for 25 bushels of corn, or losing about \$3.50 in value of

small grain but gaining about \$50 more in value of corn.

All you do is plug every other hole in your grain drill with a tin plate and sow at the regular rate of 8 pecks an acre.

Dungan has seeded oats in 16 inch rows for seven years. By actual count and measurement, he found there were 43 percent more clover plants and they were 20 percent taller when the oats were seeded in wide rows.

He figures conservatively that this heavier legume stand would produce one more ton of green manure containing 40 pounds of nitrogen. It takes 1 1/2 pounds of nitrogen to grow one bushel of corn. So that would mean about 27 more bushels of corn.

Several farmers have already seeded small grain in wide rows with excellent success, Dungan says, and more and more of them are trying it each year.

Wide rows let more sunlight get down to the legume plants, and they need lots of sunlight. There is less lodging, and this also lets in more sunlight. And it cuts down competition for plant foods.

Surprisingly, Dungan's results came from land already in top

shape to grow legumes. So if you are getting only average stands, maybe you could improve them by seeding your small grains in wide rows.

MODERN DESIGN— QUALITY CONSTRUCTION

Minneapolis-Moline Hi-Klearance plows give you all these advantages:

- Higher clearance assures better trash clearance and permits use of 18-inch coulters.
- Greater throat clearance prevents clogging and assures better covering of trash
- Proper line of draft means lighter draft and eliminates side draft
- Simple, quick-acting power-lift raises or lowers plow on only 1/2 turn of land wheel—provides short headlands
- Heat-treated beams of beaded stock weighing 12.7 pounds to the foot assure maximum strength and long life
- Extra sturdy beam bracing prevents wrenching or twisting of beams
- Coulters equipped with all-steel yoke with ample clearance prevent clogging
- Flexible hitch for more uniform depth of plowing
 - Extra strong wheel construction
 - Moldboards and shares with better wearing and scouring qualities.

It's MISS AMERICA for beauty

Just one look will tell you why the '50 Ford is a style show all by itself... why it's the only car in automotive history to twice receive the Fashion Academy's Gold Medal Award as "Fashion Car of the Year" (and two years in a row, at that!)

It's MR. BIG for size

No other car in Ford's field offers so much hip and shoulder room. The '50 Ford is big and feels big. The minute you take this great car out on the road you'll feel its luxurious big car comfort, its effortless "Finger-Tip" steering and its solid roadability. A ten-minute "Test Drive" will convince you that the '50 Ford is truly Mr. Big for spaciousness, for comfort, for performance and for value.

**And
Champion of its Class
for ECONOMY**

Here's real evidence of Ford's extraordinary gas economy. In the official AAA supervised Mobilgas Grand Canyon Economy Run, a '50 Ford Six equipped with Overdrive won in its class—the three full-size cars in the low-price field. Low first cost, low operating cost and high resale value mark Ford—V-8 or "Six"—as the "Big Economy Package" in its field. "Test Drive" it at your Ford Dealer's today. (*Available at extra cost.)

Rugged Prophet

Lesson for April 16, 1950

DON'T MAKE the mistake of thinking that the "minor" prophets of the Old Testament were less important than the "majors." The 12 men whose writings end our Old Testament are in no way less important than Isaiah, Jeremiah or Ezekiel. They are called "minor" only because their writings cover fewer pages. First in point of time came Amos.

Ranch-Hand Preacher

AMOS WAS NO city preacher, in fact not a preacher at all. He would not even call himself a prophet. He was a ranch-hand from the back country, more like what we would call a hired hand than a farmer on his own. He had no prestige, no backing, no social or official position, no money, no high education, no national reputation, in fact none of the things that make us "take notice" of a strange speaker. Dr. Foreman He had no lecture bureau, had no luncheon-club, he could not even hire a hall.

But the Lord had spoken to him and he knew it. He was determined that the wealthy people who crowded the temple yard in Bethel should hear him. No doubt the mere sight of the man would attract attention. In his rough working clothes he would look as out-of-place in that well-polished crowd as a huckleberry in a pan of milk.

As his voice, trained in the wide open spaces, rang out over the crowd, a few people may have laughed at first. But a circle of respectful silence would grow around him. Indeed they liked what he said, at first.

Roll-Call of Doomsday

FOR three transgressions of Damascus, yea for four ... I will not turn away the punishment thereof," he began. Damascus was capital of Syria, for generations their country's bitter and all too successful enemy. So when Amos predicted a crash for Syria, you may imagine the applause would be loud.

Then, one after another, as Amos points his finger east, north, south, the lightning of God's curse is called down on enemy after enemy of the nation of Israel. Fire, hurricane, defeat and disaster are foretold for every one.

Too Close Home

EVERYTHING Amos had said was true, and came true; every nation whose downfall he predicted collapsed just as he said it would. But that was not the main reason he had tramped all the way to Bethel. He had some things to say to the very people before him, something about themselves and their own country. So when he had his audience in the palm of his hand, just as they were gloating over the terrible fate of the nations they hated, Amos dropped his bomb on their complacent heads.

"Thus saith the Lord: For three transgressions of ISRAEL, yea for four, I will not turn away the punishment thereof." The roll-call of doomsday includes every sinful nation. God has no pets, he plays no favorites. His laws are the same for all men. Naturally, Israelites could well believe that God hated the sins of their enemies. But their own? That was a different story.

Amos plunged from being the most popular sidewalk preacher of his day to being the best-hated man in Israel. In fact, because he dared to name the king as sinner number one, he was accused of treason, a capital crime in any country.

"One Man With God Is a Majority"

AMOS WROTE OUT his prophecies at some later time and they have been handed down to us, with all their fire and force, in the book that bears his name.

We shall see in later lessons some of his great messages. What stands out here is this: Truth is sometimes popular, sometimes not, but the living power of truth has nothing to do with the number of people who believe it, or whether it is pleasant, or with the prestige of the man who proclaims it. If it is God's truth, it will live even if the only man who believes it is banished, as Amos was, to the silent wilderness.

Illinois TAX FACTS

By George E. Mahin, Executive Secretary
Taxpayers' Federation of Illinois

We pay taxes so our federal government can make it profitable to dig gold out of the ground, so that our federal government can put it back in the ground at Fort Knox.

We pay taxes so our federal government can make it very profitable to dig potatoes out of the ground so that our federal government can bury them under the ground so that you and I have to pay high prices for the potatoes we buy at the store (perhaps from Canada).

We pay taxes so our federal government can make it very profitable to produce eggs and butter and other products. We pay taxes to build or rent warehouses to store the eggs and butter and other

products because our federal government has no way to dispose of these products it buys. We pay taxes so our federal government can keep the prices high on the eggs and butter and other products we buy at the store.

And we pay more taxes so another agency of our federal government can employ an army of snoopers to see that farmers cut down their acreage of potatoes and other products so the federal government won't have to buy so many to keep our prices high.

Then we pay still more taxes so another federal agency can improve the cattle and hens and seed and fertilizer so that each cow and each hen and each seed and each acre of land will produce more than it ever did before so that we will have to pay still more taxes to buy up all this additional production so that you and I will have to pay still higher prices at the store.

And we pay still more taxes so another agency of our federal government can reclaim land and irrigate land and improve land so that still more farmers can produce more potatoes and eggs and butter so it will take still more taxes to buy up all this additional production too, so that you and I will have to pay even higher prices at the store.

And then, because you and I might really get mad if the federal government just plowed the potatoes, pigs and other products under, we pay taxes so our federal government can sell the potatoes at 1c a sack when the sacks themselves can be resold for 10-15c apiece.

How crazy are we? Government costs more than food, and food prices are high because our government uses our taxes to keep them high.

If we, the voters, get mad and, in a sweeping revolution, go to the other extreme instead of working out an intelligent solution with down to earth Americans like the Illinois Agricultural Association, we're plenty crazy. If we didn't vote at the April 11 primary, we're plenty crazy. If we don't find out where the candidates stand on intelligent economy before November and if we don't vote in November then we're crazy period.

Things to Know

REMEMBER

"If you saw a fire threatening the lives of hundreds of persons in an apartment, certainly you would turn in an alarm. You would call the fire department with its modern equipment to put out the fire and save lives. But what do you do about syphilis? This disease, like a fire, is threatening the lives and happiness of thousands of persons. And our public health services have modern equipment to fight this disease, just as the fire department has equipment to fight flames. Let's call out the equipment. Let's put it to use. Won't you help in spreading the alarm? Tell your friends the importance of having periodic blood tests."

There were approximately 175,000 new cases of syphilis discovered in the United States during 1949, if past years figures are maintained. Of this astounding number there were 7,000 cases who were wholly innocent of contracting the disease. It was passed on to them without their doing anything more than just being born.

These 7,000 are the number of cases of "congenital syphilis" discovered last year. Congenital means "to be born with." Congenital sy-

philis, then, is syphilis which is acquired before or during birth.

In a way, these 7,000 infants are lucky, since public health officials tell us that only about 75 per cent of the babies born to mothers having syphilis are born alive. This means that only 3 out of 4 had a chance of getting here.

But are they really lucky? A further glance at the figures show that of these infants 2 out of 3 have some sort of crippling physical disease or malformation. Of course, all of these figures are based on the fact that the mothers were untreated for venereal disease and that the baby was not treated after his birth.—Dr. John B. Hall, Director, Cook County Department of Public Health.

Notice

PUBLIC NOTICE
To whom it may concern:
Please take notice that on the
27th day of April A. D. 1950, at
8:00 P. M. in the Public Grade
School building in the Village of
New Lenox, Will County, State of
Illinois, the Zoning committee of
the Village of New Lenox, Illinois,
will consider the petition of J. C.
Baskerville, praying for a rezoning
of the following described real es-
tate:

Lot two hundred thirty-one (231)
in Arthur T. McIntosh and Com-
pany's New Lenox Estates Unit No.
5, a Subdivision of part of Lots
eleven (11) and sixteen (16), in Coun-
ty Clerk's Subdivision of part of
the Southwest quarter of Section
fifteen (15), and part of the North
west quarter of Section twenty-two
(22), Township thirty-five (35) North
Range 11, East of the Third Prin-
cipal Meridian, in Will County,
Illinois.

The relief prayed for in said pe-
tition is that the zoning districts
as established by the zoning map of
the Village of New Lenox, Illinois,
which map is incorporated in and
part of the Ordinance No. 21, be
amended and the classification of
the above described real estate be
changed from an R-1 district to a
B-1 or business district.

MOKENA

At the school election in Mokena for district 159 last Saturday afternoon, Elmer L. Cooper was re-elected director by all the 43 votes cast.

Mrs. Jessie Sippel entertained at dinner Sunday in her home for her

son and family, Mr. and Mrs. Robert Gilmore and her sister, Mr. and Mrs. William Fritchland of Chicago. Mr. and Mrs. Phillip Hacker entertained at dinner Easter, his mother, Mrs. Lena Hacker and her parents, Mr. and Mrs. Arthur Weese of Joliet.

Rev. and Mrs. J. Frank Anderson spent Easter with their daughter Beulah and husband in Blue Island.

Mrs. Katherine Horras was a

weekend guest of her family in Mokena.

Mr. and Mrs. Emory Fulton of Tinley Park and Mr. and Mrs. James Horras enjoyed Easter dinner with their parents, Mr. and Mrs. Henry Shevlin.

Mrs. Charles Hacker, who is ill in the home of her niece, Mr. and Mrs. Henry Shevlin, is not feeling so well the past week.

Richard Needham, a student at the University of Illinois is spending his spring vacation at home.

Mr. and Mrs. Fred Brown were guests of Mr. and Mrs. Lester Schiek for supper Sunday.

Billy Voss, a student at a vocational school in Chicago, spent the week end at the Fred Brown home.

Mrs. Florence Steele and family motored to Grant Park Sunday afternoon to the home of her daughter, Mr. and Mrs. Stanley Piper and family. The high wind and rain and sleet did much damage in that area. Most all telephone wires and poles, power lines and fences were down.

The fifth birthday anniversary of Lois Kiesler, small daughter of Mr. and Mrs. Oliver Kiesler, was celebrated in the home of her aunt and uncle, Mr. and Mrs. Fred Baird in Chicago Sunday. Lois received many lovely gifts.

There were three votes cast at the annual school election in district 161, Summit hill last Saturday. Jerome Daugherty was re-elected director.

Leslie Clarke has been confined to his home with the flu.

Mr. and Mrs. Hugh Deadmore, Mr. and Mrs. Raymond Westlund and son Dale, Miss Adeline Semmler and Mrs. Margaret Semmler and her brother Theodore Oestreich enjoyed dinner Easter in the Louis Joliet hotel.

Mrs. Milton Geuther was confined to her home last week a few

days with bronchial infection.

ATTENTION GIRL SCOUTS

All intermediate and senior Girl Scouts who are interested in going to Day camp this summer must pay their registration fee of \$5.00 to Mrs. Wesley Cappel, registrar by Friday, April 14.

CARD OF THANKS

I wish to herewith express my heartfelt thanks to all my many friends and relatives who so kindly remembered me in their prayers and with their cards, gifts, flowers and personal visits during my long sojourn in the hospital.

LORRAINE FUNK

Mr. and Mrs. Gene Wichterman and sons spent the Easter weekend in Chicago visiting many friends and relatives.

Mrs. Marge Keup entertained her pinocle club Tuesday. After the game refreshments were served.

The American Legion Aux. Unit 615 will hold their business meeting on Friday evening, April 14 at 8:00 in the village hall.

Mr. and Mrs. Bernard Ballard announce the arrival of a baby boy born Easter Sunday in Ingalls Memorial hospital in Harvey.

Mrs. Harold Zobac won three pairs of nylons from the "Stump Us" radio program on WLS recently for her song title, "Make a Noise Like a Whoop and Roll Away."

Mr. and Mrs. Nelson Friske and Mr. and Mrs. Francis Burnes and daughters of Blue Island were dinner guests Easter of Mr. and Mrs. Irwin Ernst Jr.

Mr. and Mrs. Forest Rice returned home Saturday after a

month's vacation in Phoenix, Ariz. Miss Lorraine Funk returned home last Thursday from the Blue Island hospital where she had been a patient for two months after undergoing two major operations.

Mrs. Evelyn Olsen and Mrs. Doris Johnson of the American Legion Auxiliary Unit 615 attended the Cook County Council meeting at the Sherman hotel in Chicago Friday. Mrs. John Garritson of Wichita, Kansas accompanied them as a guest.

Miss Pat Zellar of Valparaiso university, Ind., was an overnight guest of Miss Shirley O'Neill last Wednesday.

Howard "Tubby" Boone is on his way home from Slpan, after receiving an honorable discharge. He has served 15 months over seas.

Ed. O'Neill celebrated his birthday Sunday, April 2 with a dinner party for 25 friends and relatives. Later in the evening cards and games were enjoyed by all.

Virginia Knudson entertained the members of the Parkside bridge club in her home Monday evening. Cake and coffee was served.

Gail Peloquin, daughter of Mr.

and Mrs. Phillip Peloquin celebrated her third birthday Saturday with a party. Guests were her little neighborhood playmates, Carol Ann and Brian McCarthy, Roger and Dickie Hayes, Patsy Cheney, Jeanette Reznicek, Jamie Nellis, her two brothers Phillip and Ricky. Gail received many nice gifts. Birthday cake and ice cream were served.
